

## ***Attend Good and Get a Medal***

### **Rationale for Rewarding Attendance**

This conference aims to provide to the participating students the opportunity to attend as many presentations or workshops as possible. For this reason and as a recognition of the practice of the students to attend as many presentations in the conference as possible, the Organizing Committee will award **certificates of recognition** as follows:

**Gold Metal:**

Award for an excellent rate of attendance of the activities of the EUROMATH and EUROSCIENCE 2018 Conference

**Silver Metal:**

Award for a Very Good rate of attendance of the activities of the EUROMATH and EUROSCIENCE 2018 Conference

**Bronze Metal:**

Award for a Good rate of attendance of the activities of the EUROMATH and EUROSCIENCE 2018 Conference

**Criteria for the awards**

**Gold Metal:** It is awarded to students with at least 30 tokens (each token representing attendance of 20 minutes duration in a presentation or in a workshop of the conference)

**Silver Metal:** It is awarded to students with at least 25 tokens (each token representing attendance of 20 minutes duration in a presentation or in a workshop of the conference)

**Bronze Metal:** It is awarded to students with at least 20 tokens (each token representing attendance of 20 minutes duration in a presentation or in a workshop of the conference)

.....  
**HOW TO PARTICIPATE IN THIS ATTENDANCE AWARD AND THUS GET ANOTHER CERTIFICATE?**

You will get at registration a paper where you can place the tokens that you collect for each presentation or workshop you attend and then hand it over at the registration point by 13.00 hours of 10 March and do not forget to write your name and country.
